To make your own wassail, just follow this delicious recipe!
We get started with some apple picking.

Best Wassail Recipe

6 cups apple juice
1 cup orange juice
2 cinnamon sticks
4 allspice berries
4 cloves

Place juice and spices into a pot. Cover and simmer gently for at least 15 minutes. (A crockpot works well too. You can let it cook for several hours.) Ladle into cups and enjoy!

Did you know? The word Wassail comes from the Old English phrase “Be in good health.” Hundreds of years ago it was a tradition to drink wassail each autumn and sing to the apple trees to promote a good harvest for the next year.

It’s time to make my favorite fall treat, but first I need to find my cat. Will you help me through the maze?
